Recreation Aid Asked By Village

Meeting on Tuesday night, the Albany Council heard pleas from the Albany Youth Committee and the Albany Recreation Council for aid in adding recreational facilities in the village. In a letter to the city, Frank Irwin, secretary of the Albany Recreation Council, stated that the facilities in the village are inadequate and the situation is a definite threat to the welfare of young people in the village.

Councilman Lawrence Williams moved the council request a full study of the matter by the State Recreation Committee and the Albany Recreation Department.

Father Charles Jackson of St. Ambrose Church asked the council to request a definite recommendation from the state. Masonry, a member of the Youth Committee asked all possible speed in the matter and requested that the council bring the matter promptly to the attention of the city.

City Attorney George Glavinola presented a rental contract with the P. E. Van Pelt Co. of Oakland, for the rental of a fire truck. He said that he had been making action on the contract for some time but had not been able to get it signed. He said that the truck is now available and presented the contract for the signature of Mayor Frank Hays.

The fire equipment will rent for \$100 per month with an option to buy. Total cost of the vehicle, including all accessories, was set at \$143.63.

A petition signed by 40 property owners requested an investigation of sewerage smells coming from a storm drain at the corner of Key Route Blvd. and Masonic Blvd. The matter was referred to the City Engineer E. A. Tarr and the Health Department for immediate investigation.

A letter from the Albany Macgregor School asked that a sub-station of the Fire Department be established in a favorable location in the eastern section of the city. The request was turned over to the Fire Commission and Fire Chief Fredmental for study.

Acting as Mayor in the absence of Frank Hays, Vice-Mayor Bert Stannage asked that the press be informed on the City Council's position in the recent Centennial celebration. He stated that the Council is only official part in the festival was the issuance of a proclamation declaring the three holidays and asking the cooperation of the citizens for the benefit of the Liberty Fund which was to receive part of the profits. The celebration was sponsored by the Centennial Committee, headed by Lloyd Maddock, Oakland advertising executive.

Daughter Born

Mr. and Mrs. Edwin J. Weber, 77 Stannage Ave., became the proud parents of a six pound eight ounce baby girl at Herrick Hospital on Aug. 28 at 4 p. m. Little Kristine Victoria and mother, Jean, are reported doing fine. Jean is a graduate of Albany High School.

Donkey Baseball Game Sunday At Memorial

Some of Albany's leading citizens will cast dignity to the four winds Sunday when they mount a heard of balky, cantankerous donkeys for a game of baseball. The laughs, thrills and spills will be staged for the benefit of the Junior Chamber of Commerce Youth Fund and will match members of the Exchange Club against the Rotary Club.

Scheduled to start at 12:30 on the Memorial Park baseball diamond, the game promises a full quota of hilarity. Admission will be 85 cents for adults and 50 cents for children. Tickets may be purchased from any member of the Junior Chamber or at the park at game time.

Marin PTA Plans Program at Committee Meet

Monthly programs for the Marin Parent-Teacher Association for the coming school year are already planned by the unit's program committee, which met recently at the home of Mrs. George F. Klarmann, president.

Serving on the committee are: Mrs. D. H. Etzler, chairman, who also serves the unit as second vice-president; Mrs. George F. Klarmann, unit president; Mrs. Roy Burns, first vice-president; Mrs. Robert Kleinhammer, music chairman; Mrs. J. W. Neufeld, exceptional child chairman; Mrs. Robert J. Rogers, press representative and Mr. Eugene Baker, principal of Marin School.

Parent Education Courses: Pre-school methods and techniques including outside lectures on family (Continued on page four)

Chest Drive Leaders Are Announced

William Woolworth, "general" of the Albany division of the Albany-Berkeley Community Chest fund drive this year, has named his staff to contact local businessmen.

Harold Denham has been chosen to head the business section of the drive. He will be aided by Robert Pelegri as "captain" of the So-lano Avenue business district and Jack O'Keefe in charge of the San Pablo Ave. district.

Woolworth said plans are under-way to recruit workers for the residential district and that many are already volunteering. He expects to complete his list of area workers soon.

Albany's goal in the 1948 drive was set at \$8,750 at a meeting of Chest officials held on Sept. 2. "This is a very reasonable goal for our city," Woolworth said, "in view of the increased cost of living and the fact that the USO has been added as one of the Chest agencies."

Rotary District Governor Will Visit Albany

The Rotary Club of Albany on Sept. 13 will welcome Alfred Tisch, Governor of the 105th District of Rotary International, which includes 35 Rotary Clubs in Northern California. Mr. Tisch is co-owner of the famed Mills Orchards at Hamilton City and is a member of the Rotary Club of Chico.

Tisch will visit the Rotary Club of Albany to advise and assist President George E. Bernard, Secretary Wm. G. Woolworth and other officers of the Club on matters pertaining to Club administration and Rotary service activities. He is one of the 180 District Governors of Rotary International who are supervising the activities of some 6,500 Rotary Clubs which have a membership of 320,000 business and professional executives in 80 countries and geographical regions throughout the world.

Wherever Rotary Clubs are located, their activities are similar to those of the Rotary Club of Albany because they are based on the same general objectives—developing better understanding and fellowship among business and professional men, promoting community-betterment undertakings, raising the standards of businesses and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Warning

A warning against stocking up on gasoline in the face of the threatened gas shortage was issued today by Albany Fire Chief Fred Pimental.

"Storage of Gasoline in the home over a specified amount is in violation of law and in view of the fire hazard this practice constitutes, violators are threatened with a serious penalty," the Chief stated. "One gallon in an approved container is a safe amount to have in possession at any time and this should be kept outside the home in a safe place."

Pictured is Albany's new C. M. MacGregor Primary School at San Gabriel and Brighton Avenue, which will serve as a unit of the Albany Unified School District. The school was constructed at a cost of more than \$4,000 and includes five classrooms and several auxiliary rooms. Built to relieve congestion, it has a capacity of 180 pupils. The school will open on September 13 along with others in the Albany system.

Post 292 Will Install New Officers Mon.

By WALTER HOLLAND

Albany Post 292, American Legion and the American Legion Auxiliary Unit will hold a joint installation in the Veterans' Memorial Building Monday evening, Sept. 13 starting at 8:30 p. m.

The new officers will be installed and inducted into offices by a ritualistic team composed of the past commanders under the direction of Past Commander Charles Lindh. Others aiding in the installation will be Walter Holland, Lee J. Carroll, Russell Rothschild, Roy Harford, Godfrey Hanson, James A. Sartain, Mason Layton and Al Ford. Mrs. Godfrey P. Hanson will be musician.

Those to be inducted into office are Carl Waters, LeRoy Holland, Edward Coulton, Edward Purcell, George Mack, Joe Benjamin, William B. Thomas, Walker Lyon, Gilson Talmadge, Norman Ross, Arthur Carlson, Don Karns, Richard McAllister, Stanley Edwards and W. B. Salisbury. Following the installation Commander Carl Waters will announce his committeemen to carry on for the year. The officers will take over the first regular meeting of the Post on Sept. 17.

Officers of the Auxiliary will be installed by a team made up of past presidents of the Unit. Miss Marjory Stott will be the incoming president of the auxiliary.

Gartner Thomas, Merrilyn Brown To Wed in Nov.

His many friends in Albany were happily surprised this week with the news of the engagement of Gartner Thomas, well-known local attorney, and Merrilyn Russell Brown of Panama.

Miss Brown is the daughter of Mr. and Mrs. Ed Brown of Balboa, Canal Zone. She attended schools in the Canal Zone and graduated from the Junior College there. In June she received her B. A. degree from the Principia College of Liberal Arts at Elmhurst, Ill. The bride-elect is spending the summer in Oakland with her grandparents, the Alfred Priddys.

Gartner is the son of the late Mr. and Mrs. Samuel D. Thomas of Oakland. He attended schools in Oakland and is a graduate of the University of California where he received both his A.B. and LL.B. degrees.

They have tentatively set a day in November for their wedding, following Mr. and Mrs. Brown's arrival in Oakland from Panama.

Albany Soroptimist News

By BEA RAYMOND

The Albany Soroptimist Club met Wednesday, Sept. 8 and President May Olson opened the meeting with a re-enactment of the opening of the 10th bi-annual convention of Soroptimists at Toronto, Canada. The convention had as its theme "Working for the World We Want."

The Canadian convention opened with a toast to the King of England and the singing of "God Save the King" and was followed by a toast to the President of the United States and the singing of the "Star Spangled Banner." Our President May reversed the procedure for the meeting Wednesday.

Following the opening ceremonies, the guests for the day were introduced. They were: Ruth Kemp, president of the Berkeley Soroptimist Club, classified as City Clerk; Mrs. Helen Brickey, introduced by her sister-in-law, Bea Williams and Mabel Young, introduced by President May. Mabel accompanied May, Irene Villa and Dotrie Gamble on the trip to Canada. It was Mabel's vacation but the way it looks to me she was used as official photographer and took her turn as chauffeur.

Dorrie gave a perfect outline of the trip from Albany and return with descriptions of all towns visited. Most of the trip was told last week by May but I would like to set it right on one point on their trip through Yellowstone Park. May said they saw lots of bears which might have been mistaken for bears. Glad it was correct.

1000 Oaks Masons to Honor Fifty Year Members at Dinner

A dinner in honor of the fifty year Masons of Thousand Oaks Lodge No. 478, F. & A. M., will be held at Thousand Oaks Temple, 897 Colusa Avenue, at 6:30 on the evening of Tuesday, September 14.

Henry D. Oliphant, Assistant Grand Secretary of the Grand Lodge of Masons in California will be the principle speaker.

Members active in Masonry for 50 years or more include Herbert W. Brewer, for many years City Clerk in Albany, now residing in Lakeport; James H. Davis, 1915 Marin Avenue; William G. Appleton, 2531 Dana Street; and Richard W. Street, 2243 Summer Street.

Charles C. Moore, Past Master, chairman of the event, will be assisted by Stan Roberts, Junior Warden, and Wayne Leach, Charlie Moore will act as Master of Ceremonies.

W. M. Paul Forrest invites Masonic friends who wish to attend the dinner to call him for reservations—LAnd. 5-7328.

More Volunteers Needed in Draft Registration

Youths between the ages of 18 and 25 continue to stream into high schools all over the nation as registration for Selective Service draws to the close of its second week. Here in Albany Charles Moore, principal of Albany High, revealed that approximately 560 young men have signed up for possible service in Uncle Sam's peacetime army. He said if the present rate of 75 per day continue to report, his first estimate of 1000 registrants will be topped before the close of registration on Sept. 18.

Moore said that there is still a need for volunteer workers to aid in the registration. Public spirited citizens are asked to contribute their services during the hours of 8 a. m. until 5 p. m. Monday through Saturday. Persons interested may contact Moore by calling LA. 5-7131.

Following are the remainder of dates upon which young men may register: Sept. 10-11, those born in 1927; Sept. 13-14, born in 1928; Sept. 15-16, born in 1929; Sept. 17-18, born in 1930. Those born in 1930 on or after Sept. 19 are to register on their 18th birthday or within five days thereafter. Those who have not yet registered may do so on any of the remaining dates.

Jaycee District Meet Will Be Held Sept. 12 At Golden Gate Fields

Golden Gate Fields will be the scene of the September District meeting of the Junior Chamber of Commerce on Sept. 12. The feature race of the day will be the "Junior Chamber of Commerce Handicap" and the Jaycees having the most members present at the meeting will present the winning jockey with his prize.

Junior Chamber members will be admitted to the track free of charge and there will be a program of racing, dinner, entertainment and door prizes.

Members of the Junior Chambers of Albany, El Cerrito, Berkeley and other Bay Area cities will be present.

MacGregor Parents to Organize at Meeting On September 30

All parents are urged to attend an organization meeting to be held at the MacGregor School, 601 San Gabriel Ave., on Thursday evening, Sept. 30 at 8 p. m.

Many important issues will be discussed and it is hoped that every parent who has children enrolled will be sufficiently interested to aid in this organization.

MORGAN'S MEANDERINGS

By M. S. T.

Albany's Centennial festival is gone but the memory lingers on and debates and rumblings are still to be heard in our land. But a few facts are outstanding. Police Chief Stanley Williams says there was no gambling at the fête and that he and members of his department were present to keep their collective eyes on things at all times. While the library fund did not make any money on the deal, a lot of people had a good time and took home such costly items as coffee and sugar from the games at the 49'er camp.

The old expression "a horse on you" had a very odious meaning for Humane Officer Melvin Meyers Saturday night when he was faced with the task of disposing of the carcass of a horse whose soul had departed for Valhalla leaving the corporal remains lying near the Eastshore Highway overpass. For one whose experience has been limited to the disposal of only dogs, cats and other small bodies, this was a problem overcome only after a great deal of agitated activity and frantic fencing.

Albany's street sweeper is again being piloted in the early hours of dawn by Operator Milton Armstrong who has now recovered from a bout of mumps. During his absence Frank Marshall took over.

Mrs. Hazel Conlon is back at her post as court clerk after a week of vacationing right here in the old hometown.

Mothers to Hold First Pre-School Autumn Meeting

The Albany Pre-School Mothers Club held its first meeting of the Fall Semester Wednesday, Sept. 8 at the Recreation Center, 850 Masonic Avenue with Mrs. Pat Theobald, President, in charge.

Mrs. Joan Milneir, Mothers' Club Delegate to the East Bay Council of Cooperative Pre-Schools told of the progress being made by the newly organized California Council of Cooperative Pre-schools and urged that the group give its full support to plans for creating a center for Child Guidance in the East Bay area.

Appreciation was expressed by the Mothers to the Ways and Means Chairman, Mrs. Mildred Warrington, for seeing that the new toys and equipment were ordered and delivered and to the Repairs Chairman, Mrs. Arie Radder, for the Summer work session at the school during which time many repair jobs were done.

At the close of the meeting, Bert Haesloop of 660 Spokane Ave., one of Albany's Letter Carriers, presented a program of moving pictures including a reel featuring the Mothers' Club winning Fourth of July Parade Float.

After the program, members and friends adjourned to the pre-school play room where refreshments were served by the Social Committee, with Mrs. Sunnie Senne, Chairman, assisted by Mrs. Mildred Warrington, Mrs. Angela Spearin, Mrs. Elsa Liotta, Mrs. V. Scordelis, and Mrs. Barbara Covey.

Dedication exercises for the C. M. MacGregor School, 601 San Gabriel Avenue, will be held at the school from 2 to 2:30 Sunday afternoon, Sept. 12. The exercises will be followed by an open house from 2:30 to 5, during which time the public is cordially invited to inspect the building.

Arranged jointly by the Albany Board of Education and the Superintendent of Schools, the exercises will consist of flag raising by Troop 42, Boy Scouts of America; a dedication prayer by Dr. Robert Larsen, vice-president of the Albany Board of Education; a brief review of the life of C. M. MacGregor, for whom the school was named; by Mrs. Delsa Walton, president of the Board of Education; a response from Mrs. Charlotte MacGregor Boggs; a discussion by Dr. Paul C. Bryan, superintendent of Albany Schools, of the features of the MacGregor school; and opening of the building by C. M. MacGregor.

The MacGregor School, which opens on Monday, Sept. 13, will house children from kindergarten through the low 3rd grade. It was built primarily to relieve congestion of Marin School, but children from Cornell area are being admitted to the extent that vacancies exist after all Marin children desiring to enroll have been accommodated.

The cost of the site, building, play area development, landscaping and new furniture was \$127,051.96. All costs were financed as part of the school bond program of 1946 in which \$25,000 was raised for the development of Albany schools. The contemplated cost of this primary school unit in 1946, when the bond issue was initiated, was \$99,500.

Children entering this school will have the latest facilities and the most attractive features in their classrooms and school yards. Each of the large classrooms, planned in accordance with suggestions of primary teachers and administrators of Albany, has an outdoor play area.

Acoustical tile on the ceilings keeps at a minimum street and other outside noises. Well-planned bilateral natural lighting, combined with diffused electrical lighting, will do much to protect the eyesight of the children. Restful wall colors, asphalt tile throughout the building, and individual hardwood desks and chairs will provide a pleasant environment. The radiant heating system, which insures even temperature from floor to ceiling, will do much to protect the health of those enrolled. The five class-rooms and the separate auxiliary rooms in the building meet all school-housing regulations, and at the same time provide a pleasant and healthful classroom situation for children.

This little lady is developing ASTHENNOPIA [EYESTRAIN]

Tonight in thousands of rooms considered "well lighted" young eyes are being harmed by light that is either too dim or is raw, harsh and glaring.
Improper lighting is a principal cause of eyestrain accompanying headache and drowsy fatigue. In severe cases eyes should be examined and glasses prescribed. But in cases light must be right—better light for better sight.

EYESTRAIN PICKS IT'S VICTIMS YOUNG

1 of every 5 children in grade school suffers from impaired vision. Poor lighting causes unnecessary eyestrain.

2 out of 5 college graduates have defective sight. . . a result which good lighting might have helped to prevent.

Protect young eyes these 4 ways: 1. Provide a good study lamp for the students in your home. 2. Make sure each lamp has a bulb of the right size. 3. Be sure the light is diffused—not glaring. 4. Clean lamp shade and reflector bowl for better, whiter light.

World's easiest trucks to park and maneuver!
World's first trucks with real "lift-the-hood"
accessibility—faster adjustments and servicing!
World's safest trucks to drive—nearly 23%
more vision—steps enclosed inside the doors!

Dramatic new truck styling! A new kind
of all-weather comfort! Lowest cost per mile
of any trucks their size and power!

More sizes and wheelbases than
ever before! Studebaker's 1949 su-
per line of trucks includes half-ton,
three-quarter ton, one ton, one-and-
one-half ton, and two ton models!
Every one of these new Studebakers
is outstanding in low-cost operation!

When people everywhere agree on a product, you know that product is good!

All America Likes CHEVROLET'S Bodies by Fisher

...bodies that are exclusive to Chevrolet in the low-priced field!

More Value in Riding Comfort
Your own tests will convince you that Chevrolet's Unitized Knee-Action Gliding Ride, plus Chevrolet's Body by Fisher, result in more riding comfort.

More Value in Performance with Economy
Only Chevrolet, in its price field, gives you the performance advantages—at low operating costs—of a "World's Champion" valve-in-head engine.

It is not by chance that Chevrolet's bodies by Fisher are so beautiful, so luxurious, so safe! Behind each body is forty years of motor-car coachcraft experience... forty years of building master bodies for precision-minded America. To matchless craftsmanship have been added the methods and the metals of modern body engineering. Today, in your Chevrolet Body by Fisher, you are protected by steel... cushioned by materials that add ease and relaxation to every driving mile. And when you consider that such body-comfort, such body-luxury, such body-safety is available at lowest cost you begin to understand why MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

More Value in Braking Efficiency
The knowledge that you are operating Positive-Action Hydraulic Brakes in your Chevrolet gives you a feeling of security when driving in city or country.

More Value in All-round Safety
You ride in maximum safety in your Chevrolet with Fisher Unitized Body Construction, Unitized Knee-Action Gliding Ride and Positive-Action Hydraulic Brakes.
